

# WHAT WE DO

- ✓ Every year we support **2000 people** through visits to our gardens, volunteering and participation in our **wellbeing and nature programmes**.
- ✓ We have a team of **200 volunteers** who help run the gardens and benefit from spending time in nature.
- ✓ Our Memory Pathways programme provides a vital service for people living with **memory loss and dementia** and their carers.
- ✓ We are **passionate about conservation** and nature. We work to protect the endangered Black Poplar tree and native wildflowers.
- ✓ We are **open to the local community** for visits, venue hire and events.

**LINDENGATE HAS BEEN A LIFELINE FOR ME FOR A LONG TIME AND WITHOUT IT I DON'T KNOW WHERE I WOULD BE.**
