

Become a Lindengate *Supporter* today!

At **Lindengate** we support our Gardeners to manage their mental health needs through the gift of horticulture and we are blessed with a 5 acre site in Wendover where we are creating a diverse range of gardens and growing areas which is encouraging our Gardeners to blossom.

Please consider helping us and our Gardeners by becoming a *Lindengate Supporter* and making an annual donation to support our work.

Feel connected ...

Because we want our **Supporters** to feel a close bond to our cause and our Garden, you will receive a periodic Newsletter filled with information and pictures about Lindengate and the developments on the site. This will include our own *Top Tips* prepared by Lindengate's Horticulturists to help you apply that professional touch to your own plants and growing spaces. As a **Supporter** you will have a special attachment to the work we are doing and, most importantly, you'll know that your subscription is directly helping a Gardener to benefit from the therapeutic effects of nature and gardening.

Become a *Lindengate Supporter* for only **£2** per month

Since we opened our Garden in November 2014, we have achieved a great deal. With your support, we can achieve so much more.
