

Sponsor a Greenhouse

We are looking for businesses and community groups to Sponsor a Greenhouse that will be part of our illuminated nature trail this December.

As twilight falls, wander round our Winter garden trail, which has been magically transformed with dramatic colour, displays and our Beam of Hope.

Take a look at [Lindengate in Lights 2020](#)

Lindengate in Lights runs from the 17th - 19th December and this year, we expect to welcome over 2000 visitors over the weekend. The light trail will lead our guests around our gardens and through the middle of our 10 greenhouses.

What does Sponsoring a Greenhouse mean?

For £300 you can have a display case to showcase your business logo, a festive message and decorate. Each greenhouse will have a coloured light fitted thanks to our lighting team from Version2, and we invite you to decorate your greenhouse with fairy lights (battery operated) and decorations, ideally that tie in with what you do.

The space is likely to get damp overnight so that's one thing to bear in mind and we can't store any food inside, but other than that, it can be as creative as you like.

We'll make a poster for the window with your logo, website and chosen festive message.

You will need to set up your Greenhouse on Thursday 16th December between 10am - 5pm and take your decorations down on Monday 20th before 1pm.

If you would like to join Lindengate in Lights by Sponsoring a Greenhouse, please contact Sue Rodwell sue.rodwell@lindengate.org.uk, or call 01296 622443.
